- Log Out: use this link to close EmpCenter; logging out of EmpCenter does NOT log you out of SSO.

Time Entry Links:

- My Timesheet: access your timesheet to enter hours, correct entries, and submit your timesheet to your supervisor for approval.
- Go to Web Clock: access the web clock to clock in or out. The web clock functions like a traditional time clock.

If you are in a Supervisor or Business Center role within EmpCenter, you will see additional options available on the Dashboard. See the appropriate user guide for more information.

Employee Timesheet (My Timesheet)

Access your timesheet by clicking on My Timesheet on the Dashboard.

Timesheet Top

- C. Submit: certify your timesheet is correct and send it to your supervisor for review and approval. Once submitted, the button changes to  Recall until the timesheet has been processed. You can recall your timesheet to make changes any time prior to your supervisor approving it.
- D. More: options to print your timesheet and set your print preferences. If you print the timesheet without changing the preferences the entire timesheet will be printed including exceptions and results. See Appendix C for details on changing your print preferences.
- E. List View: the drop down menu allows you to change the timesheet view. Options are List, Table or Day view. The system will remember your selection. See Appendix B for more information on view options.
- F. Switch Assignments: if you have more than one job, or assignment, this option will appear. Click to change the timesheet to a different assignment.

Adjusting Clock Entries

Valid reasons for adjusting clock time include:

- Computer issues preventing use of web clock.
- Assisting students and/or customers at start of shift and unable to clock.
- Missed in or out punch.
- EmpCenter unavailable.

Running late or being out of the office are not valid reasons for adjusting clock time. Any changes to clocked time will be recorded in the system.

Changing Meals

EmpCenter will automatically assume an hour meal for any day you work 6 hours or more. The automatic meal punch can be overridden by a schedule assigned by your supervisor. You can also change the amount deducted directly on your timesheet.

To adjust a meal punch, simply type the correct elapsed time (e.g. .5, .75, 1.5) in the Hours field for the meal entry on your timesheet:

Date		Pay Code	Hours	Leave Case	Date		Pay Code	Hours	Leave Case
Mon 07/30		Clock	10:30 am				Clock	10:30 am	
			06:00 pm					06:00 pm	
		Meal	1.00				Meal	0.50	

Type the correct elapsed time for the meal.

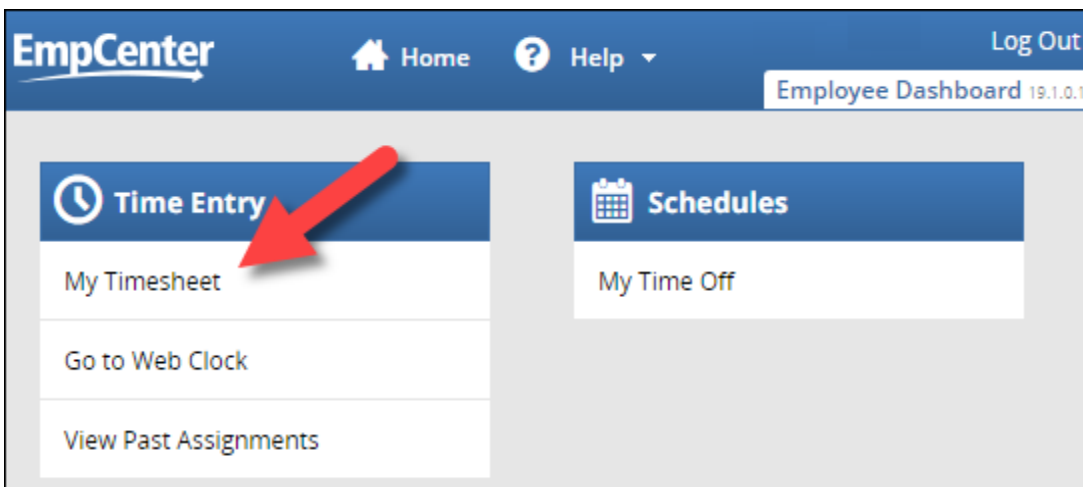

If you need to zero out your lunch (e.g., clocked out for lunch, EmpCenter should not subtract meal), enter 0 in the hours column for the meal. If you worked less than 6 hours for the day but did take a meal, you will need to add Meal to your timesheet just like any other pay code and enter the elapsed time taken.

Using the Timesheet

General Timesheet rules:

- The work week is Sunday through Saturday.
- The work day is midnight to midnight.
- For shifts that cross over midnight, the time will be recorded on the day the shift started.
- Salaried employees' timesheets run from the first of the month through the end of the month; hourly employees' timesheets run from the 16th of the month to the 15th of the next month.
- All employees are paid on the last day of the month.

Select My Timesheet on the Employee Dashboard to access your timesheet:

Selecting an Assignment

If you have only one job, or “assignment”, you will be directed to the timesheet without any extra steps. If you have more than one assignment, you must first select the assignment you are entering time for before being directed to the timesheet:

 **Choose an Assignment**

Office Specialist 1-219200-C33780-00
Administrative Program Spec-212500-C37538-00

Changing the Pay Period

The timesheet will default to the current open pay period; once you have submitted your timesheet, it will default to the next pay period. However, you can change the period to view past or future timesheets.

- You can view timesheets up to one year in the past from the current date, unless you have changed assignments (jobs).
 - For previous assignment timesheets, see Viewing Past Assignments for more details.
- You can view timesheets up to one year in the future from the current date.
- You can make changes to future timesheets up to 12 weeks from the current date to allow for protected leave tracking.

To change the pay period view, click on the arrows to the right (for future dates) or left (for past dates) of the pay period:

Basic Time Entry

Classified Salaried Non-Exempt employees are expected to clock in and out for the work day using the Web Clock and use the time off request process for pre-approved leave.

1. Select the day you need to enter time for. The Pay Code field will be highlighted:

Date		Pay Code	Hours	Leave Case	Clock Loc...	Comments	Total

Thu 08/02		Select Pay Code					

2. Select the Pay Code from the drop down list:

For elapsed time pay codes, enter the number of hours (e.g., 8, 1.5):

Date		Pay Code	Hours	Leave Case	Clock Loc...	Comments	Total

Thu 08/02		Select Pay Code					

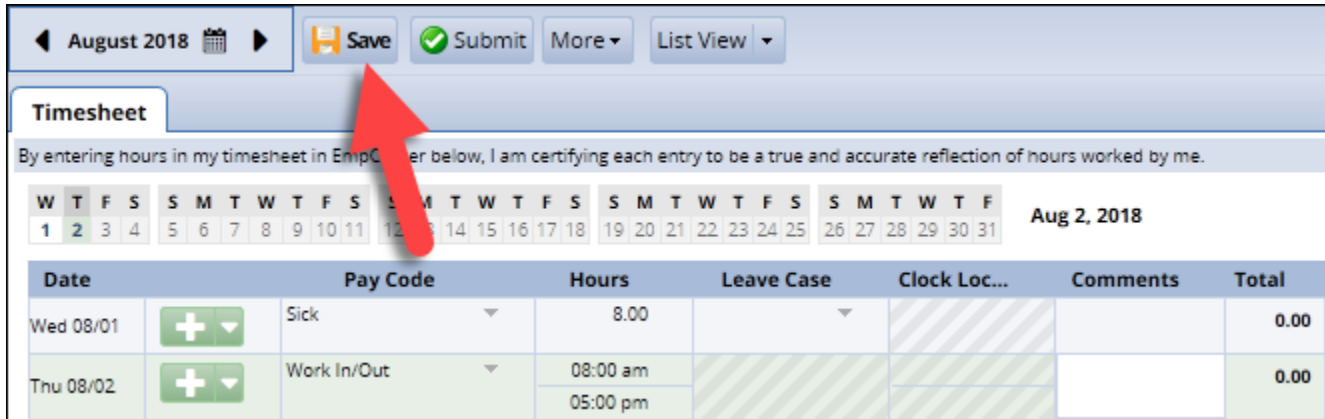

For pay codes that require in and out times, enter the start time on the first row and the end time on the second row:

Time entry notes:

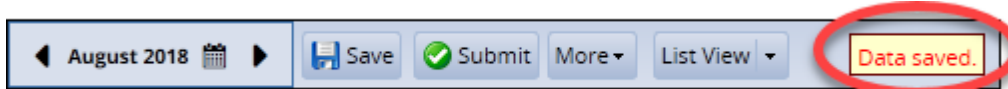

- Each row entry is called a time slice.
- For in and out times, you do not need to enter 8:00 am or 5:00 pm; you can enter 8 for the start time and 5p – or 17 if you prefer military time – for the end time. EmpCenter assumes the am for any number between 1-11 and 24, and the pm for any number between 12-23.
- If the out time is past midnight, add a + sign before entering the time.

4. Click Save at the top of the timesheet to save your changes:

1. Informational – these exceptions are color coded white. They are informational only. Examples include definitions of pay codes and rules. You do not need to do anything with these exceptions.

Timesheet Comments Tab

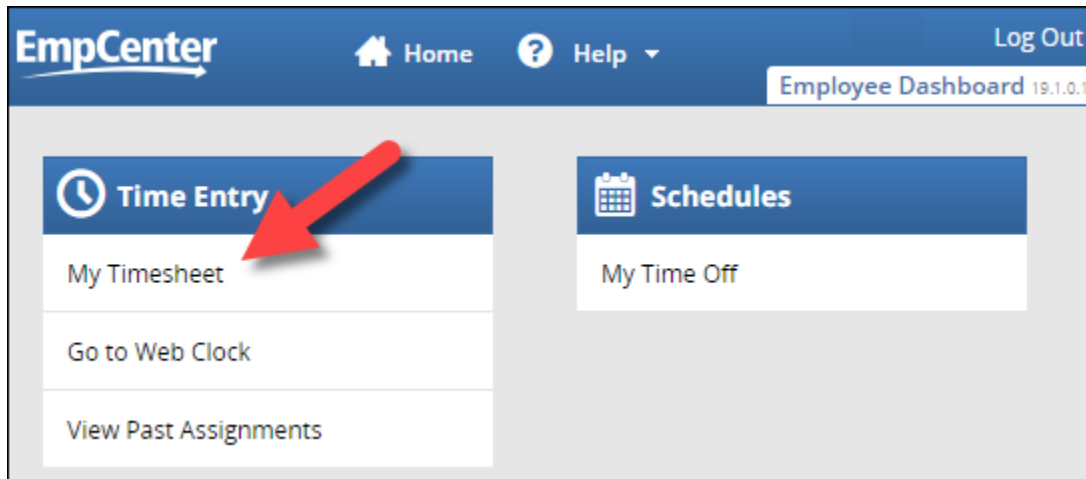

The Timesheet Comments tab can be used for any additional comments you may need to add to your timesheet for the pay period. The space allows for more information than what can easily be seen in the Comments column on the timesheet. It is also used by the Business Center and Central Payroll and HR offices if someone other than the employee makes a change to the timesheet.

Submitting Your Timesheet

At the end of the pay period you are responsible for verifying the information on your timesheet and submitting it to your supervisor for review. EmpCenter will send an email reminder to submit your timesheet after the last day of the pay period and again a few days later if you still need to submit your timesheet.

1. Select My Timesheet under Time Entry on the Employee Dashboard:

Or click on the link in the email:

Note: if you have more than one timesheet, you will see additional links in the email. If you use the link on the dashboard, you will be prompted to select the timesheet you want to view first.

2. After reviewing your timesheet, click Submit at the top of the screen:

3. Check the box to certify the timesheet is accurate and activate the Submit Timesheet button:

Note: any red-level Error (not paid) exceptions listed must be corrected before submitting your timesheet; yellow Warning exceptions may need to be corrected as well. If you are unsure, ask your supervisor for assistance.

4. Click the Submit Timesheet button to send the timesheet to your supervisor for approval:

Note: once your timesheet is submitted, the Time Entry window will default to the next pay period.

Recalling a Submitted Timesheet

If your submitted timesheet has not been approved, you can recall it to make changes.

You are now able to make changes and resubmit your timesheet.

Note: once you make your changes to your timesheet, you must save and resubmit it; simply saving does not automatically submit the timesheet.

If your supervisor has already approved the timesheet, you will not be able to recall and make changes. It will be noted on the timesheet:

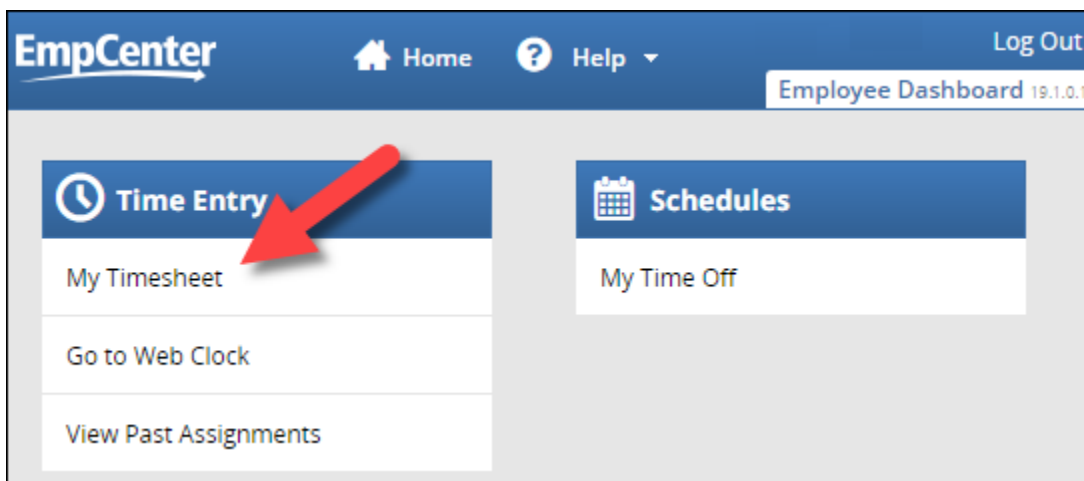

If you cannot recall your timesheet and changes are needed, contact your supervisor. For closed timesheets see the Amending Timesheet process.

Amending Timesheets

After a timesheet has been processed, any changes must go through the amended timesheet procedure.

You will only amend your timesheet to correct misreported time or leave.

1. Select My Timesheet from the Employee Dashboard:

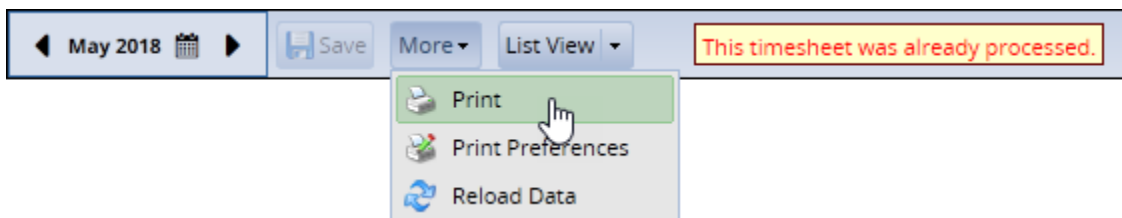

2. Change the pay period to the period that needs changes:

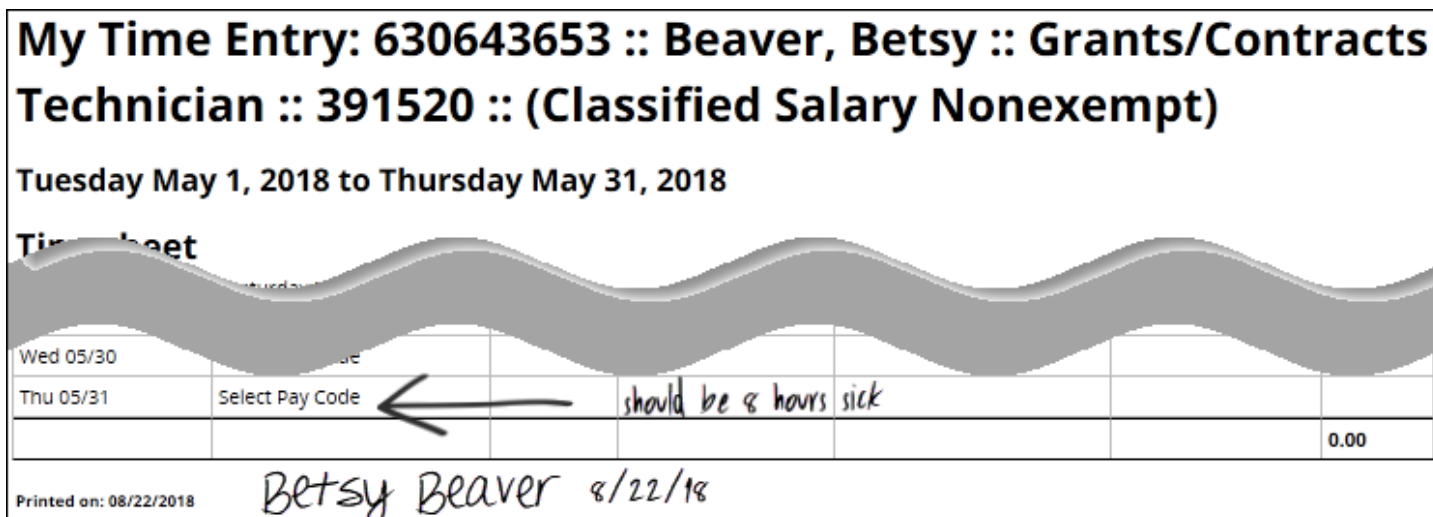

Use the arrows to change the pay period.

3. Print the timesheet. You may need to first change the print preferences to only print the timesheet, see Appendix C for more details:

Note: if you cannot access the timesheet, see the Viewing Past Assignments process for details on viewing timesheets from previous jobs.

4. On the printed timesheet, write in the changes that need to be made then sign it and give it to your supervisor for further processing:

Your supervisor will submit the timesheet to your Business Center. If additional pay is required, you may receive a manual check.

Please note it may take several weeks before the changes are reflected in EmpCenter.

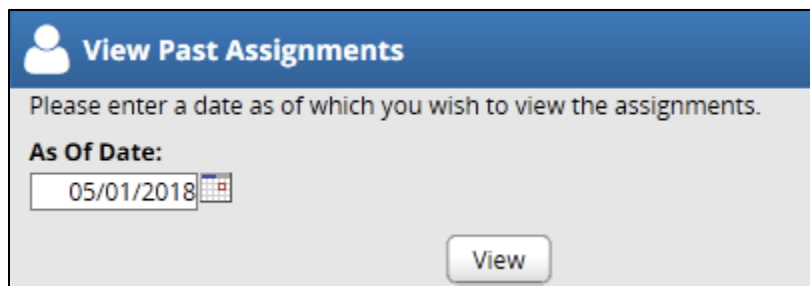

Viewing Past Assignments

If you have changed assignments (jobs), you will not see your timesheets from past assignments using the pay period navigation on the My Time Entry screen. Timesheets from previous assignments are found under View Past Assignments. This does include timesheets that were terminated in the current pay period.

1. Select View Past Assignments from the Employee Dashboard:

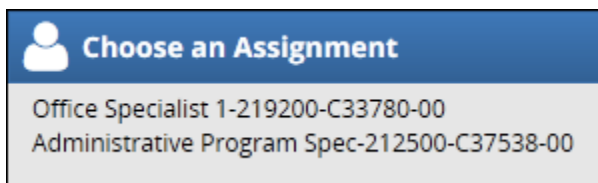

2. Enter the date you would like to view and click view to see your timesheet:

The screenshot shows the 'View Past Assignments' form. It has a title bar with a user icon and the text 'View Past Assignments'. Below the title bar, there is a prompt: 'Please enter a date as of which you wish to view the assignments.' followed by 'As Of Date:'. There is a text input field containing '05/01/2018' and a calendar icon to its right. At the bottom right of the form is a 'View' button.

Note: you can either type in the date or use the calendar icon.

3. If you had more than one assignment for the time period selected, choose the assignment you would like to view:

The screenshot shows the 'Choose an Assignment' form. It has a title bar with a user icon and the text 'Choose an Assignment'. Below the title bar, there are two lines of text: 'Office Specialist 1-219200-C33780-00' and 'Administrative Program Spec-212500-C37538-00'.

Note: if you only had one assignment for the time period selected, you will be directed immediately to the timesheet.

Time Off Requests

Basic Time Off Request

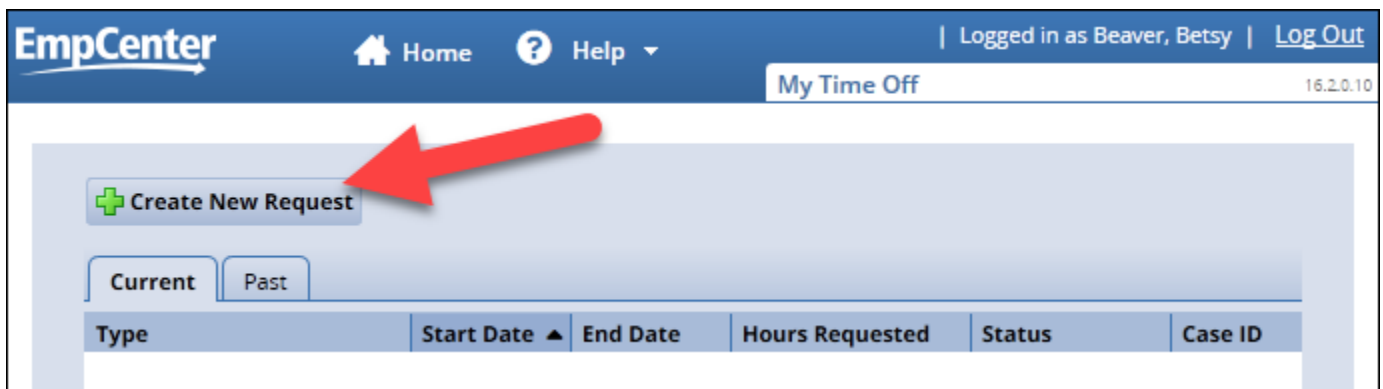

EmpCenter will allow time off requests to be made up to 365 days from the current date. The system will display your projected bank accruals; however, you are responsible for ensuring you still have the time available when the leave occurs.

When a time off request is approved, EmpCenter will add the leave type and hours to your timesheet for the dates requested.

1. Select My Time Off under Schedules on the Employee Dashboard:

2. On the My Time Off screen, select Create New Request:

Note: any upcoming time off requests will be listed on the Current tab; past requests can be viewed on the Past tab.

3. Select Continue under Absences for Vacation, Sick, and Other:

The screenshot shows the EmpCenter 'My Time Off' page. The header includes the EmpCenter logo, Home and Help links, and a user login status: 'Logged in as Beaver, Betsy | Log Out'. The main heading is 'I need to request time off for...'. There are two main sections:

- Absences for FMLA, OFLA, and Military Leave**
FMLA = Family and Medical Leave Act
OFLA = Oregon Family Leave Act
Must also complete "Absences for Vacation, Sick, and Other" section to indicate leave usage while absent
Examples include leave for:
 - Serious Health Condition (Employee or Family Member) ?
 - Parental (Newborn, Adoption, or Foster Care Placement)
 - Military ?[Continue](#)
- Absences for Vacation, Sick, and Other** (circled in red)
If requesting time off for a serious health condition, family, or military leave, must also complete the "Absences for FMLA, OFLA, and Military Leave" section to the left
[Continue](#) (indicated by a red arrow)

For additional information on protected leave absences (FMLA, OFLA, and Military), see the Protected Leave User Guide.

4. If you have more than one assignment, or job, you will first need to select the assignment you are requesting time off for. The time off request will be sent to the supervisor for that assignment:

The screenshot shows a 'Choose an Assignment' dialog box with a user icon. It lists two assignments:

- Office Specialist 1-219200-C33780-00
- Administrative Program Spec-212500-C37538-00

Note: if you only have one assignment, you will be immediately directed to the time off request page (step 5) and you will not see assignment listed on the request list page.

The screenshot shows the EmpCenter 'My Time Off' interface. The 'Request Details' section contains a table with three rows of requests, each marked with a red 'X' in the 'Action' column, indicating an error. The 'Bank Usage' section shows a graph for 'Vacation Bank' and 'Comp Time' usage from Mon 10/01 to Wed 10/03. The 'Exceptions' section displays a table with one error message: 'Comp Time bank has reached 0 hours. 8.0 hours must be changed to Leave Without Pay (LWOP) or another appropriate leave type with an available balance.' The 'Comments' section is empty, and there are 'Back' and 'Submit' buttons at the bottom.

The screenshot shows the EmpCenter 'My Time Off' interface for a future request. The 'Request Details' section shows a single request for Tue 04/02/2019, marked with a red 'X'. The 'Bank Usage' section shows a graph for 'Comp Time' usage from Tue 04/02 to Tue 04/02. The 'Exceptions' section displays a table with one error message: 'Comp Time bank has reached 0 hours. 8.0 hours must be changed to Leave Without Pay (LWOP) or another appropriate leave type with an available balance.' The 'Comments' section includes an 'upload an attachment...' link, and there are 'Back' and 'Submit' buttons at the bottom.
